

Pre-Service Infection Prevention and Control Training & Infection Control Specialist Training for Community-Based Care

Oregon Care Partners offers free online trainings approved by Oregon DHS/SOQ to meet the pre-service infectious disease prevention training requirements for all staff outlined in [OAR 411-054-0070](#) and the specialized training requirements for designated infection control specialists outlined in [OAR 411-054-0050](#) for assisted living and residential care communities.

Eligible long-term care professionals earn a certificate of completion and CEUs upon passing with a score of 80% or higher.
